Hello Peter,

I want to thank DTSC for positively responding to the CAG's May 4 letter regarding the initial Area 40 Community Outreach and Fact Sheet presentation. From the changes the department has made to the outreach process I believe DTSC will be well-served with a stronger connection to the affected community, and a much more knowledgeable response to the Remedial Action Plan.

Thank you to everyone who played a part in the revisions to the initial plan.

Sincerely,

Janis Heple, CAG Chair

Hi Janis,

Please see the attached responses to your May 4th e-mail correspondence to the Department. A pdf. response was provided as the cleanest format for readability. DTSC apologizes for the Area 40 fact

sheet figure and will also do a better with the community outreach activities as outlined in the responses. Thank you for your time and please contact me directly with any concerns with the Area 40 cleanup project.

Sincerely,

-Peter MacNicholl, P.E.
